

US University Admissions Packages

1. Basic Package: "Application Ready"

This package provides the essential support to get students into the university of their dream

Included in the Basic Package:

- **University Shortlisting & University Selection:** Inclusive, detailed university selection based on goals, budget, and interests.
- **Documents Preparation & Review:** In-depth assistance with preparing, reviewing, and submitting all the documents required for university admissions.
- **Essay & Motivation Letter Writing Guidance:** Basic coaching on how to write personal statements and motivation letters.
- **University Admission:** Complete assistance with application forms, document submission, and follow-up.
- **Accommodation Arrangement Assistance:** Personal help in organizing accommodation near the university.
- **Visa Application Guidance:** Full support with preparing and submitting student visa applications.

Ideal for: Students who need essential support for the application process and some guidance for their IELTS preparation.

2. Standard Package: "University Admission Essentials"

The Standard Package is suitable for students who need to receive necessary, focused guidance to enable them to successfully get into the university of their dream.

The Standard Package comprises:

- **University Shortlisting & University Selection:** Inclusive, detailed university selection based on goals, budget, and interests.
- **Documents Preparation & Review:** In-depth assistance with preparing, reviewing, and submitting all the documents required for university admissions.
- **Essay & Motivation Letter Writing Guidance:** Assistance in crafting persuasive and effective personal statements and motivation letters that showcase the student's strengths.
- **IELTS Exam Preparation:** Serious, intensive preparation with practice tests, criticism, and recommendations to prepare the student with all the information required to take the IELTS exam.
- **University Admission:** Complete assistance with application forms, document submission, and follow-up.

- **Interview Preparation:** Multiple mock interviews with constructive criticism and improvement suggestions.
- **Visa Application Guidance:** Full support with preparing and submitting student visa applications.
- **Accommodation Arrangement Assistance:** Personal help in organizing accommodation near the university.

Ideal for:

Students seeking the budget-friendly plan with standard services to assist them through the application process for a university. Students who need minimum assistance with regard to university selection, documents, and exam readiness would be suitable for this package.

3. Premium Package: "Full University Admission Support"

Our exclusive, premium package is for students who want total support from start to finish—taking care of every aspect of their university applications, SAT and IELTS preparation, and pre-departure training.

Inclusive in the Premium Package:

- **University Shortlisting & University Selection:** Inclusive, detailed university selection based on goals, budget, and interests.
- **IELTS Exam Preparation:** Serious, intensive preparation with practice tests, criticism, and recommendations to prepare the student with all the information required to take the IELTS exam.
- **SAT Exam Preparation:** In-depth SAT preparation, including targeted coaching, practice tests, and strategies for tackling each section (Math, Reading, and Writing) to achieve a competitive score.
- **Documents Preparation & Review:** In-depth assistance with preparing, reviewing, and submitting all the documents required for university admissions.
- **Essay & Motivation Letter Writing Guidance:** In-depth assistance with writing effective, impactful personal statements and motivation letters.
- **University Admission:** Complete assistance with application forms, document submission, and follow-up.
- **Interview Preparation:** Multiple mock interviews with constructive criticism and improvement suggestions.
- **Visa Application Guidance:** Full support with preparing and submitting student visa applications.
- **Accommodation Arrangement Assistance:** Personal help in organizing accommodation near the university.
- **Pre-Departure Training:** An extensive session to prepare the student for life abroad, including cultural adjustment and practical tips.

Ideal for:

Students seeking a package deal with total assistance throughout the entire process, including SAT and IELTS test preparation, university choice, application advising, and post-application services, in addition to pre-departure preparation.
